

We are changing!

The City of Willis will be changing its building code from the 2018 IBC to the 2024 IBC

The City of Willis has adopted the 2024 International Codes, the Enforcement of these Codes will begin on November 2024. Please make sure that all plans submitted after this date are designed accordingly.

PLANS RECEIVED AFTER DECEMBER 1, 2024, DESIGNED IN COMPLIANCE WITH THE 2018 INTERNATIONAL CODES WILL NOT BE ACCEPTED.

"The secret to change is to focus all of your energy not on fighting the old, but on building the new" -Socrates
